OBJECTIVE

To contribute to a forward-thinking organization by leveraging my technical skills and dedication to deliver high-quality results. I seek opportunities to enhance my expertise in web development and contribute to the organization's growth while continually developing my own skill set.

TECHNICAL SKILL

Web Development

HTML, CSS, JavaScript, PHP, Bootstrap, MySQL.

Software Tools

MS Office (Word, Excel, PowerPoint), Notepad.

PROJECTS

Portfolio Website

Developed a personal portfolio showcasing web development skills and projects.

Static Website Design

Created a responsive static website with clean design and cross-browser compatibility.

Mobile Interface Simulation

Built a phone project simulating a mobile interface with real-time date, Google, YouTube, app store, and other functionalities.

Code Editor

Developed a simple code editor with basic features and syntax highlighting.

WORK EXPERIENCE

Fresher
